All we will need is an email from the Agency stating that they would like to cancel the RWA.

That email will be uploaded in RETA as supporting documentation just in case its an issue later.

Thank you

Last e-mail said this effort was being cancelled as far as it relates to Acquisitions. If you want to know the status of an RWA you will need to talk to an BA80 Budget Official.

Hi Edwin,

I looked at the PR package in EASi. I do not see the Scope of Work, IGE or Acquisition Plan attached. Please attach those documents so the Acquisition Team can assign this project to a Contract Specialist.

to Hallie, me

It belongs to the Special Services Division. In EASi you add, James Gregory and Denise Avery-Craft as team members. Do not route it to them. They will be notified once budget approves.
